

Adoption Application

Connecticut Cat Connection and its affiliates is a small group of volunteers helping cats in need of finding new homes. We want every applicant to understand that our mission is to place the right cat into the right home to assure a long, lasting relationship. We also want every applicant to understand the responsibilities involved in caring for a pet and that since cats can live 20+ years, it is a life time commitment. Cats bond with their human family and need to be treated as part of the family. Please proceed with this application if you are in agreement with this statement and are committed to giving a cat a life-time home.
